Application Guidelines for the Position at Iwate University, Faculty of Agriculture

Faculty Recruitment for Iwate University (Assistant Professor, tenure-track)

1. Position and Number of Positions: 1 (one) assistant professor (tenure-track)

2. Affiliation:

Faculty of Agriculture, Department of Food Production and Environmental Management,
Food Systems and Management Course

Due to the planned reorganization in Iwate University, the affiliation after April 2025 will be
Faculty of Agriculture, Department of Rural Environmental Sciences, Innovative Agriculture
Course

3. Field of specialization: Agricultural Environmental Engineering and Agricultural
Information Engineering-related

4. Subjects to teach

This course conducts education and research on the advancement of technology and the
informatization related to agricultural-food production.

We are looking for a candidate who can be in charge of Liberal Arts Subjects, Exercises in
Information Processing (shared), Food Industry Systems Laboratory I, II (shared), etc. as well
as supervision of graduation research.

5. Qualifications

(1) PhD degree holder.

(2) Person who has enthusiasm for education and research in Food Systems and Management
Course.

(3) Person who is willing to participate in the management of Iwate University.

(4) Person with enough language skills (Japanese and English) to perform the above duties.

6. Starting date: As soon as possible after December 1, 2024

7. Term of employment: 5 (five) years

A tenure review will be conducted by seven months prior to the expiration of the 5 year tenure-
track term. Tenure (Assistant Professor, permanent) will be granted if the applicant is deemed
to achieve the target values required for granting tenure.

An interim evaluation will be conducted by three years from the start of employment. In case
that particularly outstanding achievement is observed in the interim evaluation, the eligibility
for granting tenure may be discussed at that time.

Please refer to the regulations regarding the tenure track system in Iwate University at the web
site below.

[Regulations on the Iwate University Tenure Track System] (in Japanese)

<https://www.iwate-u.ac.jp/about/disclosure/files/regulations/60200040.pdf>

8. Compensation:

Salary and Benefits: Based on the salary regulations of Iwate University and subject to annual

salary system (Retirement allowance is paid at the time of retirement.)

Working Hours: Discretionary working system for professional work, 7 hours and 45 minutes of de facto working per day

Insurance: Employment Insurance, Social Insurance, Workers' Accident Compensation Insurance, Mutual Aid Association of the Ministry of Education, Culture, Sports, Science and Technology

Days off: Saturday, Sunday, public holidays, year-end and New Year holidays, etc.

9. Research support

The start-up support funds will be provided to tenure-track faculty members as research expenses (1 million yen x 2 years).

10. Application deadline: July 1st, 2024

11. Selection process

Applicants who pass the document screening will be invited for an interview. In this interview, applicants will be asked to introduce the research activities in English. The interview will be conducted in person, while the travel expenses for the interview are the responsibility of the applicant. An online interview may be permitted under certain circumstances.

12. Submission of application documents and inquiries

The following documents must be submitted at the application.

(1) A full curriculum vitae (with photograph, any format)

(2) A list of research and teaching achievements.

Publications must be labeled as refereed or non-refereed (see attached)

(3) Three reprints (or copies) of major publications

(4) Past achievements in education and research, and ambitions for future education and research (about 2 sheets of A4 paper)

(5) Names and contact information (affiliation, address, telephone, and e-mail) of two references

Application is accepted through e-mails to the following address.

E-mail: iida@iwate-u.ac.jp
